I was reminded of  
just how bad  
it had gotten and  
just how sick  
I had become  
but it could change  
with this relationship  
de-de range  
we've all been thru some shit  
and if were a thing  
I think this things begun  
tell me now  
what do I have to do  
to prove my love to you  
special favors come in 31 flavors  
were out of mints  
pass the life savers  
I'm droppin hints  
candy for candy-coated tongue  
you'd be so good  
so very good for me

what do you think  
tell me honestly  
I'm wait wait wait  
w-wait wait  
waiting for you to come  
tell me now  
what do I have to do  
to prove my love to you  
I'd do anything  
I'd do it all  
I'd do it all for you  
I'd climb a mountain  
i'd cross the ocean  
I'd do it it all  
to prove my love to you
