"See My Ships"

See my ships
they are sailing
in and out of the harbor
will they go together
or must they stay apart
yes I know it's in my heart
surely you see what's inside of me
Jesus is coming soon
I can hear Gabriel
blow his trumpet tune
this I know
this I know
our lord is coming soon
mercy mercy me
Marvin Gaye he was shot
by his father
o my Father
have mercy on me
cold kane o my cheap thrill
o my shame for Cain
and the devil

momma I need water

I'm thirsty

surely you see

what's inside of me
