Naken under m?nelyset
f?rte jeg min fot ut i dans
?yne sorte som av kull
Fulgte mine steg fra skogens rand

H?r min sang over salten hav ? fra evig tid
Over fjell og gjennom dyp skog ? inn i dr?m
Jeg kan se deg sove n? ? min kj?re
Alle vinder gi meg liv og h?r min sang

Stille strekker seg hender
ut av m?rket og stryker ved mitt h?r
"Kom barn, la oss g? lenger inn i skogen
Legg ditt hode ned, s? skal du se ham igjen f?r dagen
gryr"

H?r min sang over salten hav ? fra evig tid
Over fjell og gjennom dyp skog ? inn i dr?m
Jeg kan se deg sove n? ? min kj?re
Alle vinder gi meg liv og h?r min sang

Jeg vil hviske ditt navn
Jeg vil leve uten savn
Jeg vil fylles av liv i all tid

Translation:
Hear My Song

Naked under the moonlight
I guided my foot into dance
Eyes black as of coal
Followed my steps from the forest's edge

Hear my song across salty seas ? from infinite time
Over mountains and through deep woods ? into
dreams
I can see you sleep now ? my dear
All winds, give me life and hear my song

Silently hands stretch themselves
out of darkness and caress my hair

"Come child, let us go further into the woods
Rest your head, and you shall see him again ere break
of day"

Hear my song across salty seas ? from infinite time
Over mountains and through deep woods ? into
dreams
I can see you sleep now ? my dear
All winds, give me life and hear my song

I want to whisper your name
I want to live without want
I want to be filled with life forever
