Come take my hand and
We'll walk into the woods
This is my kingdom
Now this is your home

If you believe
Sometimes pretend
If you fight back
In the end you shall see
Whats its worth
Other peoples stories
They are just like mine
But for one thing
I did what they planned
In my darkest hour
I just killed 2 men
With a silver bullet
In the barrel of my gun

I should know better
By the age of 28
But I took the chance and
I never once looked back

If you believe
Sometimes pretend
If you fight back
In the end you shall see
What its worth
Other peoples stories
They are just like mine
But for one thing
I did what they planned
In my darkest hour
I just killed 2 men
With a silver bullet
In the barrel of my gun

And the sun climbs up over victoria hill
I will stop and take one last breath
Then they'll come for me

Other peoples stories
They are just like mine
But for one thing
I did what they planned
In my darkest hour
I just killed 2 men
With a silver bullet
In the barrel of my gun

I did it for you
I did it for you
I did it for you
I did it for you
I did it for you
