Behind my new face  
I'm the same as I've always been  
Wondering how you are  
If I am your mother still  
I'm wearing the denim dress  
And my hair is the same way  
I want you to remember  
And to keep me alive  
This time of year  
I'd give my life to live  
Out there with you  
And watch you smile in your sleep  
I see you across the room  
I fear that I cannot even breathe  
Oh gosh, how you have grown  
You're nearly as tall as myself  
I want everyone to notice  
Just how proud you make me feel  
Instead I say nothing  
And then you head for the door
