(Swing Out Sister)

Falling in to someone else's daydream  
You'll wake up when you're prepared to learn  
Can't steal yourself an imagination  
Face the truth or watch your future burn,  
Flying high as a bird in the sky for a while  
Maybe makes you feel fine,  
But it shows when you're low 'cos you know  
That it's all in your mind.  
Every trip that you take shocks your senses awake  
But you can't turn back time,  
You'll get by when you find it's no lie  
That it's all in your mind.  
Stepping out into this wide world for the first

time,

Catch your breath or you will be led astray.  
Attitudes some low and cruel to fool you,  
Mesmerized hypnotic eyes look your way...

Repeat Chorus

Flying high as a bird in the sky for a while  
But it shows when you're low 'cos you know that  
it's all in your mind...  
It's all in your mind  
Every trip that you take shocks your senses awake  
You'll get by when you find it's no lie that it's all  
in your mind,  
All in your mind....
