(Swing Out Sister)

Take it fast, take is slow,  
But it won't soften the blow  
When it's time to go  
May be old, may be scared  
But you'll never be prepared  
For that final blow  
Better use your wits or you'll lose your mind...  
There's a world to discover and you're running  
Out of time  
Life's a roller coaster ride  
That took you by surprise  
Now you're burnin' up inside  
Better make it better,  
Better make it better,  
Better make it better,  
'Cause time is running out fast.  
You can scream you can shout,  
But when your time runs out  
Deep inside you'll know  
May be rich, may be poor,  
But when you knock at Heaven's door,  
Well you have to go  
Make the most of what you've got  
For it's better than to not have anything at all.  
Take each day as it's your last  
Or you'll find the future's passed and you're left  
with nothing at all  
Repeat chorus  
Better make it better,  
Make it last
