Breakout

Don't start to ask  
And now you've found a way to make it last  
You've got to find a way  
Say what you want to say  
Breakout

Don't start to ask  
And now you've found a way to make it last  
You've got to find a way  
Say what you want to say  
Breakout

When explanations make no sense  
You're fighting with less confidence  
The time has come to make or break  
Breakout

Don't start to ask  
And now you've found a way to make it last  
You've got to find a way  
Say what you want to say  
Breakout

The situations never change  
Tomorrow looks unsure  
Don't leave your destinated trains  
What are you waiting for?  
The time has come to make or break  
Breakout

Don't start to ask  
And now you've found a way to make it last  
You've got to find a way  
Say what you want to say  
Breakout

Don't start to ask  
And now you've found a way to make it last  
You've got to find a way  
Say what you want to say

Breakout

Some people stop at nothing  
If you're searching for something

Lay down the law  
Shout out for more  
Breakout and shout  
Day in, day out  
Breakout

Don't start to ask  
And now you've found a way to make it last  
You've got to find a way  
Say what you want to say  
And breakout

Lay down the law  
Shout out for more  
Breakout and shout  
Day in, day out  
Breakout  
And breakout  
And breakout

Lay down the law  
Shout out for more  
Breakout and shout  
Day in, day out  
You've got to find a way  
Breakout  
And breakout  
And breakout
