Communion

Broken dreams a seething silence

No one hears

Silent screams

And poisoned lies no one shares

When life's a crime

Our time has come

For some do shun

Communion

Tears and laughter share your fears

To ease the pain

Conversation heals the wounds that we'll make

When life's a crime

Our time has come

For some do shun

Communion

In lost traditions a love worth giving

We'll find a place

Broken dreams a seething silence

No one hears

Silent screams

And poisoned lies no one shares

When life's a crime

Our time has come

For some do shun

Communion

We'll find a place for

We'll find a place

We'll find a place for

Communion
