Drifting on a wave
A breeze
A thought caught in time
Iridescent tears
A kiss
A dream of tomorrow
Climbing
Falling
Pushing
Pulling
Every lap of life's ebb and flow
And if I had the heart to tell you
Would you have the strength to go
Sinking without hope
Sunset
A star in a moonless sky
Closing like your mind
My eyes
A future that died
Climbing
Falling
Pushing
Pulling
Every lap of life's ebb and flow
And if I had the heart to tell you
Would you have the strength to go
And if you don't want to tell me
I don't need to know
Climbing
Falling
Pushing
Pulling
Every lap of life's ebb and flow
And if I had the heart to tell you
Would you have the strength to go
Climbing
Falling
Pushing
Pulling
Every lap of life's ebb and flow
And if I had the heart to tell you
Would you have the strength to go
