(Swing Out Sister)  
Duck and dive to survive  
Daddy lied mama cried  
Things are never learned in school  
Guess they taught me all too soon  
Mama didn't raise no fool  
Feel alone daddy's gone  
Didn't ask for this broken home  
You heard the rumors now they're true  
Could have easily been you  
Mama didn't raise no fool  
Suddenly it becomes plain to see  
That's the way it was meant to me  
Spare a thought and save the child  
Mama didn't raise no fool  
Mama didn't raise no fool  
Mama didn't raise no fool  
Mama didn't raise no fool  
Dry your eyes take my hand  
He's not coming back  
So understand  
Don't break an unwritten rule  
Stick together play it cool  
Mama didn't raise no fool  
Suddenly it becomes plain to see  
That's the way it was meant to me  
Spare a thought and save the child  
Mama didn't raise no fool  
Mama didn't raise no fool Mama didn't raise no  
Fool  
Suddenly it becomes plain to see  
That's the way it was meant to me  
Spare a thought and save the child  
Spare a thought and save the child  
Mama didn't raise no fool  
Mama didn't raise no fool  
Mama didn't raise no fool  
Mama didn't raise no fool
