(Swing Out Sister)

I've spent too much time  
Waiting for you in vain  
I can't hear your voice  
Although I call your name  
I can't go on but I still hang on just the same  
I've spent endless nights  
Crying your name out loud  
But still remain  
Alone in an empty crowd  
As time goes on I realize you'll never change  
I say a prayer  
I count the hours  
I hear a voice but it's not yours  
I count the score  
I can't go on playing the waiting game  
If you should ever change your mind  
I'll be there just call my name  
Until then I'll be playing the waiting game  
I've waited too long  
Wishing my life away  
Convincing myself  
Tomorrow you'd change your ways  
I can't go on but I still hang on just the same  
I say a prayer  
I count the hours  
I hear a voice but it's not yours  
I count the score  
I can't go on playing the waiting game  
All you left me with emptiness  
Now everyday seems the same  
You've gone but I'm still playing the waiting  
Game  
If you should ever change your mind  
I'll be there just call my name  
Until then I'll be playing the waiting game  
I've waited too long for you to change your ways  
Playing the waiting game  
All you left me with emptiness  
Now everyday seems the same  
You've gone but I'm still playing the waiting  
Game

If you should ever change your mind  
I'll be there just call my name  
Until then I'll be playing the waiting game
