Friends say I'll get over you soon

thoughts of you come back to fill me with gloom.  
Time forgets but I'm not over you yet

there's no sense in asking why until the tears run dry.

There's no-one but you on my mind

searching for a perfect ending that we'll never find  
if we could make it work this time.

Years have flown by since you've been gone

this broken heart of mine's been waiting too long.  
All alone without you I can't carry on

there's no sense in asking why until I'm there by your  
side.

There's no-one but you on my mind

searching for a perfect ending that we'll never find  
if we could make it work this time.

We could plant tomorrows dreams now together  
in a garden to last forever more

and the flowers would grow from the seeds we'd sow.

There's no-one but you on my mind

searching for a perfect ending that we'll never find  
if we could make it work this time.

There'd be no sense in asking why waiting until the  
tears run dry.

If I could make you change your mind

if we could make it work this time.

There'd be no sense in asking why waiting until the  
tears run dry.

if we could make it work this time.
