Crushed linen suits, gator boots, straight stylin
Uh, and I aint trippin on no straps tonight
Cus the essence of a true is to keep the vibe plus
So get up!

Time to see these G's ha ha that's how we parlay
I don't give a damn baby if you got a man
We can take it to the beach, bump and grind in the

Puffin on some bomb bomb rap in the black ??

Two steps ahead of your game trick, believe it
