Why don't you stop and look me over?  
Am I the same girl you used to know?  
Why don't you stop and think it over?  
Am I the same girl who knew her soul?

I'm the one you want and I'm the one you need  
I'm the one you love, I'm the one you used to meet  
Around the corner everyday we would meet and slip  
away  
But we were much too young to love each other this  
way

Am I the same girl? Yes I am, yes I am  
Am I the same girl? Yes I am, yes I am

Why don't you stop and look me over?  
Am I the same girl you used to know?  
Why don't you stop and think it over?  
Am I the same girl who knew her soul?

I'm the one you hurt and I'm the one you need  
I'm the one who cried, I'm the one you used to meet  
But you are pretending you don't care but the fire is  
still there  
Now we are no longer too young to love each other this  
way

Am I the same girl? Yes I am, yes I am  
Am I the same girl? Yes I am, yes I am  
Am I the same girl? Yes I am, yes I am  
Am I the same girl? Yes I am, yes I am

You ever feel the need for something more  
With every week comes scratching at your door  
You ever stopped and wonder what it is you're  
searching for  
Push your luck too far with me  
But if you push it any further you won't have any

Am I the same girl?  
Am I the same girl?  
Am I the same girl?
