There's an empty space  
That was once filled with tenderness  
Blinded by the charms  
Of a strangers caress

Sorrow is her only souvenir  
Memories nobody wants to share

It's not too late to start again  
Days go by and seasons change  
Nothing stays the same  
Life's an endless game between strangers

There's an empty room  
Where fantasies flicker and fade  
She no longer hears  
The thoughts inside her head

Sorrow is her only souvenir  
Memories nobody wants to share

It's not too late to start again  
Days go by and seasons change  
Nothing stays the same  
Life's an endless game between strangers

Don't let love be your mistake  
The decision's yours to make  
Though it's hard to hide  
What you feel inside between strangers

Sorrow is her only souvenir  
Memories nobody wants to share

It's not too late to start again  
Days go by and seasons change  
Nothing stays the same  
Life's an endless game between strangers

Don't let love be your mistake  
The decision's yours to make  
Though you try to hide

What you feel inside between strangers
