Breakout

Don't start to ask
And now you've found a way to make it last
You've got to find a way
Say what you want to say
Breakout

Don't start to ask
And now you've found a way to make it last
You've got to find a way
Say what you want to say
Breakout

When explanations make no sense
You're fighting with less confidence
The time has come to make or break
Breakout

Don't start to ask
And now you've found a way to make it last
You've got to find a way
Say what you want to say
Breakout

The situations never change
Tomorrow looks unsure
Don't leave your destined trains
What are you waiting for?
The time has come to make or break
Breakout

Don't start to ask
And now you've found a way to make it last
You've got to find a way
Say what you want to say
Breakout

Don't start to ask
And now you've found a way to make it last
You've got to find a way
Say what you want to say

Breakout

Some people stop at nothing
If you're searching for something

Lay down the law
Shout out for more
Breakout and shout
Day in, day out
Breakout

Don't start to ask
And now you've found a way to make it last
You've got to find a way
Say what you want to say
And breakout

Lay down the law
Shout out for more
Breakout and shout
Day in, day out
Breakout
And breakout
And breakout

Lay down the law
Shout out for more
Breakout and shout
Day in, day out
You've got to find a way
Breakout
And breakout
And breakout
