Too bad it had to end this way  
You could have told me yourself  
Thought what we had meant more to you  
Seems like you're sharing it with somebody else

I can't find words to explain  
I can't stop wanting you  
Here comes that feeling again  
Just can't stop needing you

It's an everyday crime  
(In the name of love)  
It's an everyday crime

Never stopping to ask  
Never giving in to doubt  
Forget the best and throw away the rest  
Who will you turn to when the love runs out?

I can't stand being alone  
I can't stop wanting you  
This weakness is proving so strong  
I can't stop needing you

It's an everyday crime  
(In the name of love)  
It's an everyday crime  
(In the name of love)

Someday your time will come  
When you've given up not giving a damn  
You'll understand what's right from wrong  
And your mis-spent chances will all be gone  
In time you might just find that you've become  
A victim of love

It's an everyday crime  
It's an everyday crime  
It's an everyday crime  
It's an everyday crime

It's an everyday crime

(In the name of love)  
It's an everyday crime  
(In the name of love)  
It's an everyday crime
