It's not enough to say you're sorry  
Close your eyes and turn away  
Leave to someone else to worry  
Because it's you who pays

Don't say you're sorry  
Don't even try  
Too late to worry  
Too late to cry

Don't say you're sorry  
Don't even try  
Too late to worry  
Too late to cry

It's not enough to make decisions  
Stop before you go too far  
Spending time with cool precision  
You can't have it all

Don't say you're sorry  
Don't even try  
Too late to worry  
Too late to cry

Don't say you're sorry  
Don't even try  
Too late to worry  
Too late to cry

Don't apologize  
And don't close your eyes  
It's not enough

Do you realize?  
Do you ever ask why?  
It's not enough

Don't say you're sorry  
Don't even try  
Too late to worry  
Too late to cry

Don't say you're sorry  
Don't even try  
Too late to worry  
Too late to cry

Don't apologize  
And don't close your eyes  
It's not enough

Do you realize?  
Do you ever ask why?  
It's not enough

Don't close your eyes  
Don't apologize  
It's not enough

Don't say it, don't say it  
Don't say it, don't say it, cry, cry  
Don't say it, don't say it  
Don't say it, don't say it, cry, cry
