Surrender, surrender, surrender, surrender
Surrender, surrender, surrender, surrender

Try to forget torment lying behind a smile
Tears for sentiment, now I've done my time
You filled my hand with your opinions
Blind to your lies I listened

Still waiting for love to take revenge
(Waiting for love to)
With that sweet surrender
(Surrender)
Still waiting for love to take revenge
(Surrender, surrender, surrender, surrender)
Revenge
(Surrender, surrender, surrender, surrender)

You'll get what you deserve hiding behind a lie
Revenge says more than words, you'll pay for your
crime
I fooled myself you'd change your ways
Blind to your lies I listened

Still waiting for love to take revenge
(Waiting for love to)
With that sweet surrender
(Surrender)
Still waiting for love to take revenge
(Surrender, surrender, surrender, surrender)

Still waiting for love to take revenge
(Waiting for love to)
With that sweet surrender
(Surrender)
Still waiting for love to take revenge
(Surrender, surrender, surrender, surrender)
Revenge
(Surrender, surrender, surrender, surrender)

Surrender, surrender, surrender, surrender
Waiting for love to take, surrender
Surrender, surrender, surrender, surrender
