Time out, world in a hurry  
There's more love than money changing hands  
Lights out, thinking out loud  
Turn your back on the world outside

Night thoughts no one can share  
As darkness breaks through another day  
Secrets talking out loud  
Silence waits just a dream away

Forget lonely crowds, unfriendly faces  
They'll soon become familiar places  
Before too long, before too long

Don't be fooled by love songs and lonely hearts  
You're living in a twilight world  
Don't be fooled by love songs and lonely hearts  
Don't give in to the twilight world

Time out, world in a hurry  
There's more love than money changing hands  
Lights out, thinking out loud  
Turn your back on the world outside

Forget lonely crowds, unfriendly faces  
They'll soon become familiar places  
Before too long, before too long

Don't be fooled by love songs and lonely hearts  
You're living in a twilight world  
Don't be fooled by love songs and lonely hearts  
Don't give in to the twilight world

Don't be fooled by love songs and lonely hearts  
You're living in a twilight world  
Don't be fooled by love songs and lonely hearts  
Don't give in to the twilight world
