Intro:

Boom Boom Baby Boom Boom
Baby once twice do it again
Boom Boom Baby Boom Boom
Baby once twice do it again

Verse 1:

Oh why did you never tell me
Love will always find a way
Don't play no games my baby
You're my first love, make my day
Oh why should I ever leave you
You mean everything to me
And I'm feeling there's no Baby
Oh baby can't you see
Ohh Ahh be my baby Ohh Ahh you drive me crazy

Chorus:

Boom Boom Baby Boom Boom
Oh hear my heart is singing a tune
Hear the bass and feel the night
Everything's gonna be alright
Baby once twice do it again
I am what I am
Say the words, baby say the words
Boom Boom Baby Boom Boom
Baby once twice do it again

Verse 2:

Oh why can't we stay together
Oh I'm not too young to know
Will you love me babe forever
And I'll never let you go
Oh I need you like the sunshine
And my world is in your hands
Like the colours of the rainbow
We're together till the end
Ohh Ahh be my baby Ohh Ahh you drive me crazy

Chorus:

Boom Boom Baby Boom Boom

Oh hear my heart is singing a tune
Hear the bass and feel the night
Everything's gonna be alright
Baby once twice do it again
I am what I am
Say the words baby say the words

Bridge:

Boom Boom Baby Boom Boom
Oh let my heart to singing a tune
Hear the bass, baby hear the bass, hear the bass
Uhh Ahh be my baby Uhh Ahh you drive me crazy

Chorus:

Boom Boom Baby Boom Boom
Oh hear my heart is singing a tune
Hear the bass and feel the night
Everything's gonna be alright
Baby once twice do it again
I am what I am
Say the words baby say the words
Boom Boom Baby Boom Boom
Baby once twice, baby Boom Boom
