Who is the girl
Who's got the morning in her eyes
Who is the one
It should come to no surprise
Ask anybody in the world
(Ask anybody in the world)
Ask anybody and it's you
Without a doubt
Ask anybody in the world
Who is the one that's putting
Every star to shame
Who is the voice inside me
Whispering your name
Ask anybody in the world
(Ask anybody in the world)
Ask anybody and it's you
Without a doubt
Ask anybody in the world
'Cause you're a hard act to follow
And a tougher act to swallow
And I feel like I'm losing ground
And I never want to have to say no
Cause if you were a radio
I'd never turn you down
Ask anybody in the world
Her name's the title and
The words to every song
Ask anybody and it was you all along
Ask anybody in the world
(Ask anybody in the world)
Ask anybody and it's you without a doubt
Ask anybody in the world
