It's so nice to see you
Tumbling throw the photograph, you send to me
All I've just the bustle in a dream
Welcome to the land of the lay
California make believe

(Aahhh) walking around
This Hollywood sign
A victim of my own intentions
Never thought that I could fall this far
Well on hanging down in Hollywood with
Sunshine, vampires, and Hollywood stars
Sometimes I feel like I'm falling from heaven
Sometimes I feel like I'm falling from heaven

Uuuuuuâ€¡.

Every now and then I shoot a tile
Falling throw the clouds I'm reaching now to the
stratosphere
Send like a jet plane from the sky
Before I hit the ground I'll shake and then I'll open up
my eyes

(Aahhh) walking around
This Hollywood sign
A victim of my own intentions
Never thought that I could fall this far
Well on hanging down in Hollywood with
Sunshine, vampires, and Hollywood stars
Sometimes I feel like I'm falling from heaven
Sometimes I feel like I'm falling from heaven

Tu tu tu tuâ€¡..

Sometimes I feel like I'm falling from heaven
Sometimes I feel like (Sometimes I feel like lâ€¡â€¡.)

Walking around this Hollywood sign
A victim of my own intentions
Never thought that I could fall this far

Well on hanging down in Hollywood with
Sunshine, vampires, and Hollywood stars
Sometimes I feel like I'm falling from heaven
Sometimes I feel like I'm falling from heaven
Sometimes I feel like I'm falling from heaven
Sometimes I feel like I'm falling from heavenâ€¦.
