Like I love,
I love you now.
Cos now that your's older,
I see you don't mind,
Letting go of my hand in a crowd,
You don't wanna ho-old tight.
And when we kissed one night,
There's a million hearts,
Beating in a row,
I wish they go away,
I'll say it again (say it again)
There's a million hearts,
It's the break to see,
Every time you go away.
When you were young,
Did you ever fall down,
(Won't let you go, won't let you go)
Graze your knee,
Want to run to someone.
(Won't let you go, won't let you go)
Cos now that older,

I've been falling down,
I want to run to someone,
But there's nobody around.
I can feel the sign,
There's a million hearts,
Beating in a row,
I wish they would go away,
I'll say it again (say it again)
There's a million hearts,
It's the break to see,
Every time you go away.
Every time you go away,
Think about the things I say,
Think about it twice as long,
Tell me what's going wrong.
In the southern sky,
The breeze is so wild,
The bridge is so lonely,
The reasons that life,
Feeling so afraid,
Talking about a, two hearts,
Beating as one,
Now heeeyyy
No
I'll say it again (say it again)

There's a million hearts,
Beating in a row,
I wish they would go away,
I'll say it again (say it again),
There's a million hearts,
It's the break to see,
Every time you go away.
