My mama said to stay away from guys like you,

She said they were nasty,

Made me do things I don't wanna do,

Stay away from bad boys they got one thing on their
mind,

Their hormones are ragin and they want it all the time,

(Chorus)

And I know (know)

Cuz you said so,

And I can't just let you go,

And I know (know)

Cuz you said so and I can't just let you go.

Well I love you very much,

You're nice to see and nice to touch,

And I'd never ever ever treat you wrong been waitin for
you all along,

(Chorus)

Can't let you go ooh

Can't let you go

I said I want you to know,

I said I want you to know right now,

I want you to know,

I said I want you to know,

Woah

Shout, shout, shout, shout

Hey ey ey ey

(Hey ey ey ey)

Ey ey ey ey

(Ey ey ey ey)

Yeah yeah yeah

(Yeah yeah yeah)

Yeah yeah yeah

(Yeah yeah yeah)

(Chorus x2)

Woah woah woah woah woah

Woah woah woah woah woah

Never let you go
