I wrote this song for you to say I'm sorry

I know that I was wrong and you don't like me

Why must you feel this way?

I wish I had the words

I needed to say

(Chorus)

Cause you and me

We disagree

On everything and everyone

I only want to be your friend again

I hear you blaming me for all your problems

Well if you quit complaining you might solve them

I'll try hard to make amends

But both of us will have to try and give in

(Chorus)

I'm sorry for the things to turn out this way

I wish I knew the words I needed to say

Coz you and me we never seem to see eye to eye

But I'm sure that we can get along

If we try

If you want to you can just walk away

But I hope you know apologies

Are okay
