Just the other day

I was walking by myself

Little kids at play

Old man talking to himself

I went outside to get a drink

Sat down by the door to think

Out of the corner of my eye

Caught a glimpse of the Superspy

When he saw me look his way

He jumped down that alleyway

(Chorus)

Then I saw that man

In his black suit and Cadillac

Suckin' on a lollipop

Next night I went on a date

Runnin' to the movies late

Recognize that coat and hat

Puffin' on a cigarette

Cruisin' my house

Buggin' my phone

When will I be left alone?

Why's he following me?

Everywhere I go

Superspy goes

(Chorus)

Why's he following me?

Everywhere I go

Superspy I see
