The World Is New

I was sitting and awaiting

Just thinking, contemplating my life when I heard the  
phone

I picked up the receiver

And I did not believe her

When I heard a voice say you're not alone

(Chorus)

When I am down and I am blue

All I have to do

Is close my eyes and think of you

And the world is new

Life was getting hectic

And things were unexpected

When I first received your call

But now it is the best thing

The filled up what was missing

And now my life is envied by all

(Chorus)
