Baby I use to think I loved you so  
But now I met someone new and I really just don't know  
And I've tried to let you know just how I feel  
But somehow my emotions mixed up what was fake  
and real  
Cause you and me  
We used to be so good  
And things don't seem to be just like they should  
I would never try to hurt you so  
But now it's time for me to try to let you go  
Now it's time for me to say good-bye  
And I know I probably could have told you lots of lies  
But I've always tried to do just what was best  
And I never meant for your poor heart to go through all  
this mess
