Many days have gone by I say to myself  
Got to let her know she is mine  
Ohh ain't going waste no more time  
Wishing you were mine  
If it what I going to do, going walk right up to you baby  
Say I love baby I, I, I, I, I love you

Chorus

You should know (Girl you should know)  
Girl my love is so for real (that my love is so for real)  
And I'll do anything to have you near€! (To have you  
near)

I want to be closer (Girl! I've got to be closer) to you  
baby, Ohh  
I want to be closer, to you baby  
(To love, and hold you and squeeze you, and please  
you and do everything that you want me to do)

You should know (You know how I feel girl)  
That my love is so for real (you ohh know my love is so

Your time is running out  
Girl got to surrender,  
Said I'll be so good to you,  
And this you can depend on,

Ain't no body going to do the things that I will do for
