The pushers

The shakers

The feelers
The fakers
The loudness
The silence
The sweetness
(The violence)
My wings will pull me up into the sky
[words sung with megaphone] [Step right up And listen close If you take that road You'd better know There are many signs And many turns Where you could ride Into all you've learned] The feelings that I have
They haunt me till I'm mad
The heroes
The villains
The daring
(Decisions)
My wings will pull me up into the sky
My wings will pull me up into the sky

[word sung with megaphone]
[Step right up
And listen close
If you take that road
You'd better know
There are many signs
And many turns
Where you could ride
Into all you've learned]
