I have an empty soul
It's a warning
I feel that you should know
It's a warning

If you leave, if you leave
What am I?
I will follow, I will follow
What am I?
Yes, they are stomping on the switches
[?]
To an empty view
Take my back roads, 'round my fences

If you leave, if you leave
I will follow, I will follow
What am I?
What am I?
Yes, they are stomping on the switches

Climb the ladder straight to heaven
Where the creatures dulcify
Surprise...
Gods and devils take their pillows
Get in position to multiply

It's a warning

It's a warning
It's a warning
I will follow, I will follow
If you leave, if you leave

If you leave, if you leave
I will follow, I will follow
If you leave, if you leave
I will follow, I will follow

What am I?
Yes, they are stomping on the switches
What am I?
