I'm the biggest star you'll ever see  
So you can go but know you'll miss me  
I leave it up to you  
Either way you choose  
Oh honey, I can't lose

Met a kitten in the street  
Now I'm not much for cats but this one got me  
The streets are a sleep  
And someone's playing drums  
But I'm not  
I can't lose  
No, these days I can't loose.

Here it comes!

Saw an old face the other day  
Seems all times - it have their way  
If you leave I can't complain  
I've seen bad days too  
But know me, kid  
I can't loose  
No, these days I can't loose.

All my dreams came true  
You should know  
So if you see her, will you tell her so  
They're gonna know me at the bank  
I'm gonna eat my meals for free  
And when she sees me, I can't loose  
No honey, I can't loose.  
No honey, honey I  
I can't loose!!

All right, yeah!!
