You got a hunting cap on.
You're up at dawn with me.
But we don't shoot at deer
so we just sit right here and sing.
And we've been up all night
and our eyes are tired but
now there's light enough to see.
So if I leave right now,
would you come with me?

Yeah.

I had this sadness,
creeping like vines over me.
I didn't get what I want
so I just took what wanted me.
And I was making bad bets.
But when the odds looked good,
you gotta play the hand you see.
So if I leave right now,
would you come with me?
I think I could leave right now
if you'd come with me.

Alright.

I got this friend,
she doesn't like to fly.
Well that don't bother her none.
No, she's taking the trips all the time.
And I wish I was that friend flying away,
but I got my feet right on the ground.
So if I leave right now,
would you come with me?
I swear I wouldd leave right now
if you'd come with me.

I swear I'd leave right now
if you'd come with me.
