Another day  
Another sunrise  
Another factory call  
Another night  
Another sunset  
Another freefall

Am I alive?  
Am I on purpose?  
Within the weakness  
Within the weakness...

Spinning out in circles  
In circles, in circles  
Spinning out in circles  
In circles, in circles

Another day  
Another lifetime  
Another engine stalls  
Another line  
Another freeway  
Another freefall

I've lost all that I wanted to leave  
I've lost all that I wanted to be  
Don't believe that there's nothing that's true  
Don't believe in this modern machine!  
The modern machine

In circles
