Lonely Nation - Switchfoot

She turns like the ocean

She tells no emotion

She's been gunning down the fight

She's just reminiscing

Blood, sweat, and one thing's missing

She's been breaking up inside, inside

Singing without tongues

Screaming without lungs

I want more than my lonely nation, I want more than my
lonely nation

Desperate we are young

Separate we are one

I want more than my desperation

I want more than my lonely nation

We are the target market

We set the corporate target

We are slaves of what we want

We're just numb and amused

And we're just used to bad news and

We are slaves of what we want

Singing without tongues

Screaming without lungs

I want more than my lonely nation, I

Want more than my lonely nation

Desperate we are young

Separate we are one

I want more than my desperation

I want more than my lonely nation

Lonely, lonely

Don't leave me hollow

I'm tired

Don't leave me hollow

I'm tired of feeling low

Feeling hollow

I'm tired of feeling low
Feeling hollow
I'm tired of feeling low
Feeling hollow
I'm tired of feeling low
Feeling hollow
Feeling hollow
Feeling hollow

Singing without tongues
Screaming without lungs
One more than my desperation
I want more than my lonely nation
Desperate we are young
Separate we are one
I want more than my lonely nation
And one more than my lonely nation
I want more than my lonely nation
I want more than my lonely nation
