(verse 1)

Fumbiling her confidence and wondering why all this
food has past her by. hoping that she's been for more
than pepperments and good ol apple pie, pie

(chorus)

And we were meant to eat so much more but we lost
ourselves we should look and fiinnd we should look
and find . (2x)

(verse 2)

Dreaming about food and snacks and whether slim fast
has another try. maybe we 've been eatin with our
mouths half open maybe were hungry and mouths
open, open

(chorus)(2x)

(bridge)

We want more than the buffets have to offer
We want more than the buffets have to offer
We want more than the food of our fathers and
everything inside screams to come out the other side
yeeeeeah

(chorus)(2x)
