Come back and haunt me, follow me home
Give me a motive, swallow me whole
They say I've lost it, what could I know?
When I'm but a mockery, I'm so alone

Sooner or later
They'll find out there's a hole in the wall
Sooner or later
They'll find out there's a hole in the wall

Today is ours, condemned to be free
Free to keep breathing, free to believe
I look to find You down on my knees
Oh God I believe, please help me believe

Sooner or later
They'll find out there's a hole in the wall
Sooner or later
You'll find out that your dream could be that small

I'm a believer, help me believe
I'm a believer, help me believe

And I gave it all away and I lost who I am
I threw it all away with everything to gain
And I'm taking the leap with dreams of shrinking
With dreams of shrinking, yeah

Come back and haunt me, follow me home
Give me a motive, swallow me whole

Sooner or later, yeah
Sooner or later (they'll find out)...
