"Touch Me"

I found a place of my own
Talking to myself, nothing else to do
Heartbroken, all alone,
I must try to break free from you.

Listen to my favorite song,
Dancing with myself, nothing else to do
The beat of the drums keep me hanging on.

Touch me,
You touch me,
Every night memories come alive.

Living in a fantasy,
Trying to touch you with my desperate hands.
Untouchable and out of reach,
The feel of a lost romance.

(You're the brightest light in the glow)
You touch me,
Every night memories come alive.

Oh you touch me,
(You're the brightest light in the glow)
You touch me
Every night memories come alive.

I wanna feel you
I wanna touch you
Come closer

Touch me...
Touch me...

Touch me,
You touch me,
Every night memories come alive.

Oh you touch me,

(You're the brightest light in the glow)
You touch me
Every night memories come alive.

Touch me...
Touch me...
