I made you suffer, I caused you pain,
I played a secret game.
Lay down next to me, and hold my hand,
I know it's hard for you to understand.

In the night, I'm begging you,
Give me another chance.
Things will never be the same.
I'm wondering.

Have we danced for the last time?
Danced for the last time?
I'm wondering.
Have we danced for the last time?
Danced for a last time?
The angel in you and the sinner in me
Make bad vibrations on the frequency.
Have we danced for the last time?
Danced for the last time?

What we build up crumble to dust,
Temptation broke the trust.
Lying here next to you, helplessly.
I hardly doubt there's a future for you and me.

In the night, I'm begging you,
Give me another chance.
I hope our love will rise again.
I'm wondering.

Have we danced for the last time?
Danced for the last time?
I'm wondering.
Have we danced for the last time?
Danced for a last time?
The angel in you and the sinner in me
Make bad vibrations on the frequency.
Have we danced for the last time?
Danced for the last time?
