I'm walking in the wrong lane  
To a place unknown.  
Turning left on 8th street  
St. Marks your home.

My head is filled with you  
I'm in my comfort zone.  
But when I ring your bell  
I see you've left me alone

Where are you?  
I'm wondering  
What to do  
I'm missing you  
Try to call your phone  
But you've left me in the cold.

The streets are lonely  
Darkness closing in on me  
I'm just hanging around  
The place where we used to be

The streets are lonely  
Darkness closing in on me  
I'm just circling around  
Around and around  
Ohh ohh  
You and me

I've been sitting on your stairway  
For an hour or two.  
The world is passing me by  
While I'm waiting for you

Where are you?  
I'm wondering  
What to do  
I'm missing you  
Try to call your phone  
But you've left me in the cold.

The streets are lonely  
Darkness closing in on me  
I'm just hanging around  
The place where we used to be

The streets are lonely  
Darkness closing in on me  
I'm just circling around  
Around and around  
Ohh ohh  
You and me

The rhythm...

The streets are lonely  
Darkness closing in on me  
I'm just hanging around  
The place where we used to be

I'm just circling around  
Around and around  
Ohh ohh  
You and me
