Aiyo I'm dealin' with this mami from Quebec  
When she fly out I pull the boat out and blow Scomie on  
the deck  
Shootin' at the stars, Tommy and the Tek  
Soon as the Dutch finish you can find me on the neck  
No foreplay, bustin' the pound raise me  
Middle of the ocean, bustin' her down crazy  
You know me, I ain't on no star shit

I just came to hurt the market  
Then squirt the larkin'  
Put your hands up, matter fact put your man's up  
Put your medina's and your lambs up, your grams up  
Talkin 'bout buckin' each other  
Probably fuckin' each other  
D-block dawg, we stuck with each other

Waterproof knockin' it, ain't no stoppin' it

Bring the Porsche G.T out, lavender blue  
Shit change, kiss came its all extortion
