Swizz Beatz, show 'em what they dealin' with
Oh yeah, ah yeah

Hey ladies, can I get a witness?
Tell 'em what they dealin' with
Throw your hands in the air
Throw your hands in the air
Hey fellas, tell 'em what they dealin' with
Big house, throw your hands in the air, big boats
Big cars, throw your hands in the air, superstar

Hey ladies, can I get a witness?
Tell 'em what they dealin' with
Throw your hands in the air
Throw your hands in the air
Hey fellas, tell 'em what they dealin' with
Big house, throw your hands in the air, big boats
Big cars, throw your hands in the air, superstar

Fuck a six and a seven I'ma put big dubs on the gray
eight
Hold your wrist when you squeeze, the slugs'll stay
straight
Can I get a witness, Swizz Beatz the monster
Jadakiss, Mr. Biggs, it's big business, nigga this is our
show
Twenty two master bedrooms in the crib
The garage like the car show not only am I real, I think
But I still jab a nigga with the left and won't spill my
drink
The Courvoisier got me clashes
Honey all over me like ashes throwin' that green
molases
Your dealin' with D-Block, and Full Surface
And ain't no payment plans it's full purse-full

Hey ladies, can I get a witness?
Tell 'em what they dealin' with
Throw your hands in the air
Throw your hands in the air
Hey fellas, tell 'em what they dealin' with
Big house, throw your hands in the air, big boats

Big cars, throw your hands in the air, superstar

A'yo I'm dealin' with this mami from Quebec
When she fly in I pull the boat out and blow scomie on
the deck

Shootin' at the stars, Tommy and the Tek, come on
Soon as the Dutch finish you can find me on the neck
No foreplay, bustin' the pound raise me
Middle of the ocean, bustin' her down crazy
You know me, I ain't on no star shit
I just came to hurt the market then squirt the Larkin
Put your hands up, matter fact put your mans up
Put your medina's and your lambs up, your grams up
Talkin' 'bout buckin' each other, probly fuckin' each
other
D-Block dawg, we stuck with each other

Hey ladies, can I get a witness?
Tell 'em what they dealin' with
Throw your hands in the air
Throw your hands in the air
Hey fellas, tell 'em what they dealin' with
Big house, throw your hands in the air, big boats
Big cars, throw your hands in the air, superstar

A yo, Full Surface, Swizz Beatz is in front of him
Got a lot of problems but money ain't one of them
V12's and up, that's our ammo
Tell me what you know about a jet ski Limo
Waterproof knock in it, ain't no stoppin' it
Automatic respect whenever D-Block's in it
Or we can take it to the avenue too
And bring the Porsche GT out, lavender blue
Shit change, Kiss came and it's all extortion
Everybody eat except for smaller portions
For real though, behave yourself on some grown shit
It ain't enough room dawg, I'm on my own hit

Hey ladies, can I get a witness?
Tell 'em what they dealin' with
Throw your hands in the air
Throw your hands in the air
Hey fellas, tell 'em what they dealin' with
Big house, throw your hands in the air, big boats
Big cars, throw your hands in the air, superstar

Hey ladies, can I get a witness?
Tell 'em what they dealin' with
Throw your hands in the air
Throw your hands in the air
Hey fellas, tell 'em what they dealin' with

Big house, throw your hands in the air, big boats
Big cars, throw your hands in the air, superstar

Big business, Jadakiss
Oh, why don't you rap to them one time!
Show them who they dealing with
Big business
