Damn, I miss you
It's still gone ride, it's still gone ride
Uh uh, uh uh, c'mon
Uh, uh, yeah, ssh ssh ssh ssh, ssh, ride, uh

Damn I miss you, ooh, I feel better than before
We should've never seperated, paused or hesitated
You rocked me to sleep, it's like my body levitated
Lookin' in the mirror but the heat makes it less clearer

It's all fogged up, face me baby
Put your fingers in my mouth, let me taste the gravy
Reunited, feel good, real good, squeeze me
I tell you that I love you but you wouldn't believe me

Ghetto lovin', when I'm with you
Anything you want I will do
Ghetto lovin', when I'm with you
Anything you want I will do

Hello, baby
There is something that I want to say to you
You've been on my mind now
For a while and I just don't know what to do

I've been thinking of holding you
Showing you, what I'm all about
And I promise that I will do
Everyting you want without a doubt

Ghetto lovin', when I'm with you
Anything you want I will do
Ghetto lovin', when I'm with you
Anything you want I will do

I know that we've
Had our share of ups and downs but that's in the past
If you promise to hold me down
Then our love will have a second chance to last

I've been thinking of holding you
Showing you, what I'm all about

And I promise that I will do
Everything you want without a doubt

Ghetto lovin', when I'm with you
Anything you want I will do
Ghetto lovin', when I'm with you
Anything you want I will do

Forget the past
We like Bonnie and Clyde from now on
Back to back, through the ups and downs
Right or wrongs, lay down

Let me kiss you all down your back
Then I'll go further down, swirl my tongue around
I apologize too for not recognizing the pain inside of
you
I never lie to you, again

Last time had stress on my mind
Had a hard time believing
That my girl could be genuine
It's different now, we ghetto lovers fo' real

I grab the wheel, you hold the steel
Teach me how to touch you where you like it the most
From now on, till we give up the ghost
Reunited, baby

Ghetto lovin', when I'm with you
Anything you want I will do
Ghetto lovin', when I'm with you
Anything you want I will do

Ghetto lovin', when I'm with you
Anything you want I will do
Ghetto lovin', when I'm with you
Anything you want I will do

Ghetto love, ghetto love
Ghetto love, ghetto love
Ghetto love, ghetto love
Ghetto love, ghetto love
