All my ladies up, all my fellas up

Just 'cause I'm guilty  
(All my ghettos up, all my ghettos up)  
(Weh, dem, deh?)  
There doing you wrong  
(Let's get it poppin', let's get it poppin', yo, yo, yo, yo,  
yo, yo, yo)  
(Jamaica)

Just 'cause I'm guilty  
(We burn from Jamaica straight back to America)  
Don't live at all

(Let's get the party started)

Now all my niggas stay dirty dirty, bust rounds by the

Frontin' niggas y'all don't say a wordy wordy  
Tired of y'all niggas frontin', and gettin' away  
But, y'all niggas ain't gone leave today

Y'all niggas know I ain't even got the leverage  
Pullin' out guns huh, never even usin' 'em  
Bounty we pull our guns and damn near abusin' 'em

This goes out for my ghettos in America  
Real niggas stand if your fake I ain't hearin' ya  
And I don't need you on my album to sell  
My name rings bells, so take it to hell  
(Hell)

This, is the New York  
Uh, stop that shit pause dog bitch rewind this  
Oh, and I'm Swizz the monster  
Y'all can hate all y'all want Ruff Ryders the sponsor

Just 'cause I'm guilty

I make a vow mi haffi reach before mi seventy  
Brought up inna this thing just for a century, yo

(Okay, that's right Bounty Killer, Swizz Beatz)

Yo, yo we comin' through we got that raw  
Tell me what you workin' for

The whole world mi let know no punk cannot test you

We know it's all good till a playa act up  
(Easy)  
And then I back up and make the clubs packed up  
I, don't drink but, I'll buy the bar

Give it all to the club but, don't crash your car

Tell dem ghetto superstar, that's who we are  
If that's not enough man a soldiers of war  
With no riches and car, so faggots stay far  
And a blar man, a blar don't you see dem too hard?
