It's me bitches
Come on, come on, come on, shut down

Chillin? in my beamer, listenin? to Ether
Bumpin? through your speakers, know I got the heaters
Rockin? don?t stop, I get the rockin?, don?t stop
I'm bangin? ?em beats, you know I like that hip hop,
stop

Freeze, you know who it is, it's me bitches

Smoke good, eat good, drink good, fuck good
Come into the club stuntin? like you should
My shit on fire, I don?t need no gasolina
I?m comin? through your block with the Deuce 2-Seater

Ring the alarm, man, call me the sand man
When I drop beats I?m the 'One Man Band Man'
Cash rules everything around me, cream
Get the money, dollar, dollar bills, ya'll fuck ?em

Freeze, you know who it is, it's me bitches

Vida loco, flyin? through popo
See me in that four door, that Bentley, Espoka
Benz, all lethal, my rims so lethal
You front, I?ma, I?ma shoot that ass like a
[Incomprehensible]

Sniffin? that yayo, tryna be Sosa
Tryna act tough when that?s some black chocha
I ain?t gotta shoot you, I could just choke you
You tryna make [Incomprehensible] I could just show

Chillin? in my beamer, listenin? to Ether
