It's like a gun trilogy, gat strategy
What? Noreaga, lay out like your majesty
Aspect mine when y'all niggaz hear my par
Have y'all straight wildin' when y'all see my car

I step on your toes, fuckin' ya hoes
Chain reaction take toes, stay in my clothes
Keep askin' why I keep buckin' y'all foes
Gettin' sucked now from my fuckin' neck to my toes

Still shootin' descent, throwin' grenades at the precinct
Henny, Wood, Guinness, Mad niggaz are gettin' finished
Fessin' it, my niggaz precedent gettin' head in the wip
But not pressin' it, monster koday, gang related like OJ

Friends know me by my first name Victor Santiago
Half black, half Mohondo, Dominicano
People like pope Hinquihandom, me and tone
From TN in the BM, drink Cristals won't cancel
Seagrams

Yo, N O R E, Nore stands for niggaz on the run eatin'
No matter if you're still treatin'
N O R E, Nore stands for niggaz on the run eatin'
No matter if you're still treatin'

Yo, it's all reality, my guns blazed for clarity
For charity, had a whole hood ahead of me
Gradually, I casually grab the two techs
Blow holes, that'll rip through bird chest

Noreaga, get head inside a LS, wise guy's a man is
good fellas
Open doors for ladies, never blaze when we see babies
Only shoot when we crash through when we have to
Made cats sit back, picture that

Yo, respect it, knowin' that we now connected
It's like Lesty and Donny, Lesty let Donny live and
Donny snaked him
Stayed for day one, then faked him
The rules of nature keep your mind on your paper

Them cats that ain't been down is down state now, yo

Yo, N O R E, Nore stands for niggaz on the run eatin'
No matter if you're still treatin'
N O R E, Nore stands for niggaz on the run eatin'
No matter if you're still treatin'

Yo, married to marijuana, smoked mad trees
Catch me with the same bitch and believe
Only fuck a bitch twice if she get on her knees
Shoot for myself for myself I squeeze

Always hated the cops, yelled, ?Fuck them pigs?
Let the situation get much bigger than G's
How y'all small cats still runnin' round for keys?
Switch places, hated when the jack go freeze

Yo, my bank account tripled when I doubled at least
Had my nigga like C style, smoke that weed
Mad fucked up, drive Benz at high speed
For my niggaz on the run, just know to bleed

Yo, N O R E, Nore stands for niggaz on the run eatin'
No matter if you're still treatin'
N O R E, Nore stands for niggaz on the run eatin'
No matter if you're still treatin'

N O R E, Nore stands for niggaz on the run eatin'
No matter if you're still treatin'
N O R E, Nore stands for niggaz on the run eatin'
No matter if you're still treatin'

N O R E, Nore stands for niggaz on the run eatin'
No matter if you're still treatin'
N O R E, Nore stands for niggaz on the run eatin'
No matter if you're still treatin'

What, what, what, what, what? Track masters, tone and
poke
What, what, what, what, Iraq all of that?
Castro, Midnight Blue, Mussolini, Sham Dulo
A Maze, Monoray, my boy LP, Moneray, Jungle, Esco,
what up?

Nature, it's all good, gettin' that paper
Niggaz on the run eatin, what, it's all good where you
come from, dun
Bust a gat, represent where you come from, dun
Word up, son, what, what? Shit is real, where we come
from, dun
