Uh, right off the cuff  
Blow your head off, shoulders, nothing butâ€¦!  
The big boy toys, and toys us  
We pop shots, young niggers is justâ€¦!  
Everybody talking about theâ€¦!  
I grew up in the street, don't see 'em up in New York  
I ride in Bentleys, Lamborghinisâ€¦!  
Nigger knew how we do it, the industry is in New York  
Uh, make, make thatâ€¦!  
That thong is coming up, but you are moving slowly  
Praise the Lord like you owe He  
Cause He is making possible for me!  
Have to see the light, to see all good things  
..forth and behind what we have  
Living .. and behind of my half  
Damn, my Pinky â€¦!

Chorus:

Why you're talking to me like I don't know what's going  
on?  
I'm in the hood on fire, and you know what song is on  
Oho, say what?  
Oho, Busta but  
Oho, say what?  
Oho, hey!  
Why you're looking at me, look like I don't know what's  
going on?  
I'm form the ghetto nigger, that's where I was brought  
Oho, say what?  
Oho, Busta but  
Oho, say what?  
Oho, hey!

Give me a .. I tell you your fortune  
Spin your head round like aâ€¦!  
God damn, the ghetto had to..  
Come on, getâ€¦!. ATF  
Uh, they're taking everything that's left  
Oho, say what  
Oho, they're coming through  
Get out, or they're catching who, nigger!  
Not me, not!

I'm blowing up the fire escape  
Climbing down â€¦ what was my ass getting to the  
ground  
I kept a low back of my stash  
I kept a little â€¦  
Don't tell nobody, because we're getting going  
Young niggers know how we do, but they don't really  
know it  
And they don't really show it  
The truth is going down, mother fucker found em in the  
hood,  
So you know what's going down!

Chorus:

Why you're talking to me like I don't know what's going  
on?  
I'm in the hood on fire, and you know what song is on  
Oho, say what?  
Oho, Busta but  
Oho, say what?  
Oho, hey!  
Why you're looking at me, look like I don't know what's  
going on?  
I'm form the ghetto nigger, that's where I was brought  
Oho, say what?  
Oho, Busta but  
Oho, say what?  
Oho, hey!

Believe in yourself, if you don't nobody else will  
Just breathe in yourself, don't worry about the cause of  
wealth  
Cause God put us on this green, green Earth  
And what we do, turn the thing into â€¦  
We can make it better, but we make things worst  
You can be in a Benz or in aâ€¦  
Whatever, ever .. you get myâ€¦  
Go to the block to smoke thisâ€¦  
Got to the block to smoke thisâ€¦  
I wasâ€¦ giving you a gift  
Make you so better, make youâ€¦  
I'm gonna continue to marinate  
..and changing the word  
This vision thing I call my girl  
Better get my wife, cause it drains my life!

Chorus:

Why you're talking to me like I don't know what's going  
on?  
I'm in the hood on fire, and you know what song is on  
Oho, say what?

Oho, Busta but  
Oho, say what?  
Oho, hey!  
Why you're looking at me, look like I don't know what's  
going on?  
I'm form the ghetto nigger, that's where I was brought  
Oho, say what?  
Oho, Busta but  
Oho, say what?  
Oho, hey!
