Ayyo, ridin' with my burner, rollin' with my earner
L.I.E. Expressway bangin' that Uncle Murda
Bullet, bullet, I rep New York to the fullest, fullest
I got guns, don't think I won't pull it, pull it

Gat off safety, dudes won't face me
Both of them hoes like, Cagney & Lacey
And N.O.R.E., yep, I'm respected in the projects
Filled out my O.G. card, it's in the process

I used to get a pass, now I give a pass, ha
And got a gun that go rah like summer splash
Thug club music that you listen to late
Yep, that's that style that I helped create, tell 'em Swizz

Set it off in this mother, mother, mother, jump it off
Set it off in this mother, mother, mother, set it off

Set it off in this mother, mother, mother, jump it off
Set it off in this mother, mother, mother, jump it off

Aiyyo we got the patron, henneseey, cranberry and
vodka
Mami down for takin' on poppa
Opa locka, where I buy that
No heroin, cocaine, no, I never try that

I just fly pass, thinkin' 'bout, gettin' a bypass
Surgery, stomach and small ass
Bitches with small ass, go tell your managers
N.O.R.E.'s in the building with keys they call me janitors

Go hard, sort a feel like a slave
And even on the block when it rain like meter maids
'Cause I heard that Peter paid Paul from a jena maid
But if he didn't pay me, he would see the grave

Set it off in this mother, mother, mother, jump it off
Set it off in this mother, mother, mother, set it off
Set it off in this mother, mother, mother, jump it off
Set it off in this mother, mother, mother, jump it off

Set it off in this mother, mother, mother, jump it off
Set it off in this mother, mother, mother, set it off
Set it off in this mother, mother, mother, jump it off
Set it off in this mother, mother, mother, jump it off

Swizzy, let me jump on this track and get busy
N.O.R.E. man, I got you let me roll up the splizzy
Good grippy, that's all I expect
Now I'm a set it off like I'm Ron Artest

Now who you with hey we the best but this ain't Khaled
This your boy J. Russ from Palm Beach
Let the boy set it off with them big choppers
And you can have it your way like a fuckin' whopper

Or matter of fact nigga pop a double sack
Two for twenty five you be rollin' like a cadillac
It's for them big guns that have your ass jumpin' back
It's time to set it off nigga where the money at?

Set it off in this mother, mother, mother, jump it off
Set it off in this mother, mother, mother, set it off
Set it off in this mother, mother, mother, jump it off
Set it off in this mother, mother, mother, jump it off

Set it, set, set it, set, set it off
Set it, set it off, set it off

Set it, set it off
